Clery Act Discloser Responsibilities

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act require colleges and universities to:

- produce an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements;
- disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police, local law enforcement, and any other University officials that may have a significant responsibility for student and campus activities;
- provide timely warning notices of those crimes that have occurred and pose an ongoing threat to students and employees; and
- disclose in a public crime log any crime that occurred on campus or within the patrol jurisdiction of the campus police and is reported to the campus police.
- include a statement of policy regarding emergency response and evacuation procedures. This statement must contain the following elements:

Procedures to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

A statement that the institution will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

A description of the process the institution will use to confirm that there is a significant emergency, determine who to notify, determine the content of the notification, and initiate the notification system.

A list of the titles of the persons or organizations responsible for carrying out this process.
Procedures for disseminating emergency information to the larger community.

- Any institution that maintains an on-campus housing facility must establish, for students who reside in an on-campus student housing facility, both a policy and procedures for missing student notification. The statement, to be included in the Annual Security Report, must include the following:
 - A list of titles of the persons or organizations to which individuals should report that a student has been missing for 24 hours.
 - A statement that each student living in an on-campus student housing facility has the option to register a confidential contact person to be notified in the case that the student is determined to be missing and that only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information.
 - A statement that advises all students, even if they have not registered a contact person, that the local law enforcement will be notified that the student is missing.
 - A statement that advises students less than 18 years of age and not emancipated that their parent or guardian must be notified.
 - A statement that requires that official missing student reports be referred immediately to an institutional police or campus security department or local law enforcement.
 - Specific procedures that the institution must follow when a student who resides in an on-campus student housing facility is determined to have been missing for 24 hours.
 - This requirement does not preclude implementing these procedures in less than 24 hours if circumstances warrant a faster implementation.

Clery Act Policy Statements

TIMELY WARNING

Information is freely exchanged between campus police and local and state law enforcement agencies so that a timely notice in the form of emails, text messages, phone calls, flyers or campus newspaper articles will be made to students and employees as a means of alerting them of dangerous situations or hazardous locations. In the event that a situation arises, either on or off campus, that, in the judgment of the Director of Public Safety or his designee, constitutes an immediate ongoing or continuing threat, a campus wide “timely warning” will be issued utilizing the campus emergency communication system (email, text, phone call, outdoor public address, university desk top computer pop-up message and university web site message). Anyone with information warranting a timely warning should report the circumstances to campus police by phone (580-581-2911) or in person at the police department located on the first floor (room 108) of south Shepler.

PREPARATION AND DISCLOSURE OF CRIME STATISTICS

The Office of Public Safety prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full report of the crime statistics as reported to the U.S. Department of Education is an addendum of the Annual Security & Fire Safety Report and is also located on the web at cameron.edu/ops. This report is prepared with input from local law enforcement agencies surrounding campus and alternate sites. Campus Housing, Student Development, and the Athletic Department are also major contributors to the report.

Campus crime, arrest and referral statistics include those reported to campus police, designated campus officials (including but not limited to directors, deans and department heads), and local law enforcement agencies. The statistics include those generated on a voluntary or confidential basis.

Each year, an e-mail notification is made to all enrolled students, faculty and staff that provide information on how to view or obtain a copy of the report. Copies of the report may also be obtained at the Office of Public Safety located on the first floor of south Shepler in room 108.

ACCESS CONTROL: Residence Halls, Offices and Classroom Buildings

Access to Residence Halls is controlled on a 24-hour basis by swipe card access. Residents may enter the halls at any time, but access by non-residents is limited to specified hours. A Residence Hall Director is on duty 24 hours a day. University offices are open during normal business hours. At other times, access is obtained by contacting the Office of Public Safety. Classrooms and laboratories are open during posted hours. All buildings and facilities are patrolled and monitored by campus police officers on a 24-hour basis.

CAMERON UNIVERSITY OFFICE OF PUBLIC SAFETY & POLICE DEPARTMENT

The Cameron University Office of Public Safety and its Police Department are the primary law enforcement agency having jurisdiction on campus. Located in room 108 of South Shepler, the Police Department employs State (C.L.E.E.T.) certified police officers who are on patrol 24 hours a day, 365 days a year. Officers patrol the campus on foot, in specialized utility vehicles and standard marked police sedans.

The telephone number for emergency calls from a campus phone is extension 2911 (from an off campus phone 580-581-2911) the telephone number for routine business calls is extension 2237 (off campus it is 580-581-2237). Persons wishing to report a crime can do so in person at the police department, by calling the police department utilizing the numbers provided or by accessing one of the many emergency call boxes across campus. The police department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the campus police cannot hold reports of crime in confidence. However, if you are the victim of a crime and do not want to pursue action within the university judicial system or the criminal justice system, you may still want to consider making a confidential report. With your permission, a campus police officer can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

The Cameron University Police work with many other departments and agencies, such as the offices of Student Services, the Athletic Department, the Oklahoma State Bureau of Investigation and the Lawton Police Department in order to accurately gather the required information for this report.

In addition, Cameron University and its police department have signed memorandums of understanding with the City of Lawton and the Lawton Police Department outlining joint jurisdiction and joint support during manmade and natural disasters.

Documents listed as open for public inspection in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, such as a Violent Offender Registry or Sex Offender Registry of persons living on campus or the daily crime log are available for viewing in the Office of Public Safety. Further information about the Cameron University Office of Public Safety and the Cameron Police is available on the web at www.cameron.edu/ops

PRESENTATIONS

Crime Prevention and Personal Safety presentations are available through a cooperative effort between Student Development, Student Housing and Campus Police. Though most of these presentations are held annually at the beginning of each academic year they are often repeated throughout the year and are available upon request. Sexual Assault, Dating Violence, Domestic Violence and Stalking presentation are conducted by the Wellness Center staff annually and upon request.

CRIME PREVENTION

Each of us within the Cameron community can have an effect on the criminal's opportunity to commit a crime. The Office of Public Safety offers a list of helpful tips for crime prevention on its web site at: cameron.edu/ops/crimeprevention.html

DRUG & ALCOHOL ABUSE (policy Summary)

The abuse of drugs and alcohol interferes with the processes of learning, teaching, research and public service, which are functions of Cameron University. Pursuant to local, state and federal laws and its own rules and regulations, Cameron University prohibits the unlawful possession, use, manufacture, or distribution of drugs and alcohol by students and employees on university-owned or controlled premises, in the workplace, or as part of any university sponsored activities. Any student or employee who violates Cameron's policy will be subject to severe disciplinary action along with punishments as mandated by state and federal laws.

Drug & Alcohol Abuse Assistance Programs

Numerous programs are available to help Cameron students and employees deal with substance abuse related issues. Federal laws insure all persons seeking help for alcohol and/or other drug problems will be treated with respect and in a confidential manner. Please contact the Student Wellness Center at 580-581-6725 for information, assistance and referral.

SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE & STALKING (policy summary)

Sexual assault, dating violence, domestic violence and stalking are a violation of an individual's human rights and dignity and are not condoned by the University. These acts are unlawful and may subject those who engage in them to civil and criminal penalties. The University will not tolerate the violation of laws governing these offenses in any form. A student or employee charged with any of these crimes can be prosecuted under Oklahoma criminal statutes. Even if criminal prosecution is not pursued, the University can initiate disciplinary action which can include termination, expulsion, suspension, disciplinary probation, counseling, or educational sanctions.

Victims of these crimes have a right to file criminal charges through the university police. Victims also have the right to file a complaint with the University and to have the complaint investigated by the University and to participate in any disciplinary proceedings regarding the complaint. Both the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. To obtain more information about filing a complaint or charges, contact the campus police for criminal proceedings or the Office of Student Development for University disciplinary proceedings.

The University will provide notification to both the accused and the accuser as to the outcome of any disciplinary proceedings regarding the complaint, subject to the limitations of state and federal laws. The University will, in cooperation with law enforcement authorities, make efforts to shield the victim from unwanted contact with the alleged assailant, including transfer of the victim to alternate classes or University owned housing, if these options are available and feasible.

Dating and Domestic violence victims are strongly encouraged to seek professional help. The University can provide the names of agencies in the local area that will provide these services either free or at a minimal cost.

Every crime, no matter how insignificant, should be reported promptly. In that way, the University can be aware of crime on campus and take proactive measures to prevent recurrences. This includes the reporting and recording of criminal activity at functions held off campus by recognized student groups.

Evidence Preservation

Whether a victim initially decides to pursue a criminal investigation or not, they should be strongly encouraged to seek the expertise of law enforcement in the preservation of evidence; including but not limited to an examination by a sexual assault nurse examiner (SANE). Preservation and proper handling of evidence will ensure its value and admissibility in any proceeding.

It's On Us Aggie's

The University has partnered with the National It's On Us Campaign to promote prevention and increase awareness, reporting and response to sexual harassment, assault and gender-based violence on Cameron University's campus'. Throughout the year Student Service entities such as Student Development, Student Housing and the Student Wellness Center work toward the goals of the campaign.

April is recognized as Sexual Assault Awareness and Prevention Month. Throughout April, students, staff, and faculty have the opportunity to participate in a wide range of programs to educate and empower them. The many programs and activities during the month bring awareness, education and challenge all Aggies to take action to be active bystanders against sexual assault.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

(Emergency Communication System, Policy Summary)

System

The Emergency Communication System (ECS) is a commercially contracted, web-based system that provides automatic telephone, e-mail, and text message contact to any person registered within the Aggie Access system. The primary intent is to provide an automated, rapid means for notifying students, faculty, and staff of any type of emergency situation as identified in the Cameron University Emergency Operations Plan. This system is referred to as the Emergency Response and Evacuation Procedures by the United States Department of Education.

Procedures

The Primary Users are those personnel identified in the Cameron University Emergency Operations plan as Emergency Policy Executives or as members of the Emergency Management Team. The President has the authority to restrict approval or authority roles and add additional personnel at his or her discretion.

Primary Users on the Emergency Management Team by Title are the President, Vice President for Academic Affairs, Vice President for Business and Finance, Director of Physical Facilities, Director of Public Safety, Director of Information Technology Services, and Director of Public Affairs.

Activation

The campus police have the initial responsibility for investigating reports of emergencies and recommending the use of the ECS to the Emergency Management Team. As a Member of the Emergency Management Team and Primary User, The Director of Public Safety may, at her or his discretion approve initiation of an emergency message when it is deemed to be in the interest of public safety.

Any Primary User may initiate action. In less time sensitive situations such as snow or ice events, the Vice President for Academic Affairs will collect recommendations from Lawton Public Schools, the Director of Physical Facilities, and the Director of Public Safety. He or she will make a recommendation to the President. After a decision by the President, the Vice President for Academic Affairs will notify the Associate Vice President for Enrollment Management to initiate a communication plan.

MISSING STUDENT NOTIFICATIONS

(Missing Resident Student, Policy Summary)

Registration

Resident Students will be given the opportunity during move-ins to designate an individual or individuals to be contacted by the university no more than 24 hours after the time that the student is determined to be missing in accordance with the procedures.

In the event a Resident Student who is under 18 or not emancipated is determined to be missing pursuant to the procedures the university is required to notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing in accordance with the procedures.

Reporting

Any university employee who receives a report that a student is missing, or has independent information that a student is missing, must immediately report the information or evidence to the Cameron University police. When campus police receive the initial report, they will notify the Office of Student Housing, whose staff will determine whether the student is a Resident Student. If not a Resident Student, campus police will conduct the reporting investigation in accordance with missing person's procedures.

Investigations

The preliminary investigation of a missing resident student report will be conducted by Student Housing Staff according to procedures outlined in the missing resident student policy. If all of the steps provided in the policy do not provide Student Housing Staff with an opportunity to speak with the missing on-campus student or to learn his/her whereabouts, the university police will be contacted to investigate further. Campus police are the primary investigators of non-resident missing student reports.

Policy Notifications

Information about Cameron University's Missing On-Campus Resident Student Policy is posted on the CU website. Furthermore, students will be informed of the policy in the student handbook, during Student Housing mandatory meetings, and in an insert to be placed in Student Housing contracts.

WEAPONS AND FIREARMS (policy summary)
